

alloc_map.h

```
graph TD; A[alloc_map.h] --> B[stdbool.h]; A --> C[stdlib.h];
```

A diagram illustrating the dependencies of the header file `alloc_map.h`. The header file is represented by a gray box at the top. Two blue arrows point downwards from the bottom of this box to two white boxes below it. The left white box is labeled `stdbool.h` and the right white box is labeled `stdlib.h`, indicating that `alloc_map.h` depends on both of these standard C headers.
